\$2.58 a Year; 6c a Copy

## Hockey Club To Hold Turkey Bingo

In an effort to get a few more chips in the pot, the Didsbury Ramblers Hockey Club will hold a turkey bingo in the Armories here on Wednesday, November 18, starting at 8:30 p.m.

Twenty grade "A" turkeys will go by the board during the evening with smaller prizes also on the food menu.

There will be free games during the play and it affords everyone a chance to win a prize as well as having fun and assisting the local club in their drive for funds.

We had a real contender in the league last season — your support at the turkey bingo will help to assure us of the same this season.

## Hockey Notes

News from the hockey camp is hard to latch onto these days but don't think that there is not plenty going on behind the scenes. The players committee of George Wilkins, Bill Cowan and Ray Shantz are playing it close to the belt until they get players signed up for sure.

This week they announced the signing of Bob Dumont, a 200-pound defence stalwart from Drumheller. Bob led the Big Six League in scoring last season until forced out of play due to injuries.

Several other players are on the local negotiation list but their names will be withheld until they are definitely signed.

Other clubs in the league have strengthened considerably this season and all signs point to a bang-up season for the league.

## Mrs. E. Lachman Passes Away

Mrs. Eva Lachman, 70, of Didsbury died Tuesday last in the local hospital.

Born in Bridgeport, Ont., Mrs. Lachman came to the Didsbury district in 1907 and to Battleford, Sask., in 1908. She moved to Alton, Sask., in 1917 and back to Didsbury in 1951. She was a member of the United Missionary Church here.

Surviving are her husband, William, two sons, Dillman and Howard, five daughters, Mrs. A. E. Habermehl, Didsbury; Mrs. Neil Neufeld, Didsbury; Mrs. Wesley Seeger, Brooks; Mrs. A. E. Brooks, Lillooet, B.C.; Mrs. Ian Stauffer, Montgomery; 29 grandchildren, three brothers and four sisters.

Rev. Ray Shantz officiated at services Friday at 2 p.m. at the United Missionary Church, Didsbury. Burial was in Didsbury cemetery and Didsbury Funeral Home was in charge of arrangements.

## Progress In Didsbury Is Outlined By Calgary Power

### REMEMBRANCE DAY, WEDNESDAY, NOV. 11

Next Wednesday, November 11th, is Remembrance Day and all stores and places of business in town will be closed all day.

There will be an Armistice service at the C.P.R. lot at 11 a.m. All organizations wishing to parade with the Legion must be at the Armories by 10:40 a.m.

### GORE PUPILS ENTERTAIN AT HALLOWEEN PARTY

There was a good turnout of parents and friends at the Halloween party at the Gore school last Wednesday night. Miss Peggy Owens is the teacher and Ken Stiles was master of ceremonies for the contests and games. Sides were chosen and Norman Archer was captain of the pumpkins while Jack Archer was captain of the Owls.

Dale Sherick won the prize for the best original halloween costume. The mothers provided pies for the lunch and Russel Fuhrer and L. Snyder were given the difficult task of judging the pies. They awarded the prize to Mrs. Russel Sherick with a raisin pie.

The older girls were in charge of a fish pond for the little ones, while the older boys sold a fine collection of paris novelties the pupils had made.

A small change was made for the ice cream and pie. The pupils netted about \$12.00 altogether towards their Christmas concert. Mrs. Jack Winterbottom fittingly moved a vote of thanks to Miss Owens and the pupils for the pleasant evening.

### SPRINGSIDE NOTES

A very enjoyable event was held last Friday evening when relatives and friends gathered at the school for a surprise party, celebrating the 25th wedding anniversary of Mr. and Mrs. Bill Collinge and Mr. and Mrs. Lawrence Chandler.

Mrs. Collinge was spent in playing games, listening to music and also having a good visit with old friends and neighbors. The evening closed with a delicious party, including a beautiful wedding cake. A purse of money was given to each of the honored couples.

### MELVIN NOTES

Mr. and Mrs. Raymond Fischer returned Saturday from a two-weeks vacation to points in the U.S. They visited relatives in Missouri and Nebraska and report a wonderful trip through the Ozark mountains and the Black Hills.

Miss Margery Chandler of Wetaskiwin spent the weekend at the home of her parents.

Mrs. R. McNaughton spent the weekend in Calgary with Mrs. A. McNaughton.

Mrs. L. Fischer entertained a number of friends on Wednesday afternoon in honor of her mother, Mrs. Spurrell, who leaves this month for Ontario.

Mr. and Mrs. J. M. Fontaine of Edmonton spent Monday night at the Dupont home, en route to California and other vacation points.

Mr. and Mrs. E. Dupont and family were Calgary visitors on Thursday.

### FALLEN TIMBER

Mr. and Mrs. J. H. Cooper were Calgary visitors last week where the latter attended the teachers' convention.

We are sorry to report that Mr. G. W. Hone is a patient in the Didsbury hospital. We all wish him a speedy recovery, including a visit to California and other vacation points.

We hear Mr. and Mrs. Barry McMillan are home from their honeymoon trip.

Mrs. Johnny Howton and children were several days in Calgary last week.

The regular church service was held in the school under the direction of Rev. R. and Rev. J. Moore of Calgary. Special speaker of the day was Miss Mary Infuratt of Vancouver and formerly of Los Angeles, Calif. Church services are at 2 p.m. and Sunday school commences at 3:30. Everyone is welcome.

Mrs. Joe Teynor spent Monday visiting Mrs. Louise Money.

Mrs. Joe McGaffin was also a visitor at the Money home last week.

Mr. and Mrs. Bob Moore, Judy and Brian, spent the weekend at the home of Mr. and Mrs. Johnny Howton.

Mr. A. Easton, manager of Didsbury district for Calgary Power, says the best example of Calgary Power's need for expansion is right here in Didsbury and district.

There were 238 consumers of electricity in Didsbury in 1939. The number had increased to 317 by 1945. Today it has jumped to 433, or 136 per cent of the number in 1939. This is concrete evidence of Didsbury's constant growth.

Shown above is Alex Easton, local representative for Calgary Power, who came to Didsbury in 1951 from Rockyford. Alex has been with the company for 26 years. At present he is also secretary of the local branch of Lions International.

Another interesting set of figures is the amount of electricity being consumed by customers today, as compared with yesterday.

In the year 1939 the total consumption of electricity by household consumers in Didsbury was 100,088 kilowatt hours, or an average of 32 kilowatt hours per customer per month. In 1952 householders used 210,286 kilowatt hours or an average of 238 kilowatt hours per customer per month, an increase to over 457 per cent since 1939. In comparison with the number of kilowatt hours used by householders in 1931, today's use has increased to over 770 per cent.

While there has been a general increase in the number of consumers being served and an increase in the use of electric service in Alberta, in some localities it is much more evident than in others.

In 1931, and even in 1939, it was a "light bulb" people referred to, because the electric current was mostly used for that purpose. Today, (Continued on Page 3)

### WEST NOTES

Mrs. H. Erickson was a Calgary visitor on Thursday and Friday.

Mrs. McMullen Sr., Mrs. W. Bohannon and Mrs. A. L. Hogg attended the deanery in Oids on Wednesday last week.

The Rugby W.L. and the hall board held a chicken supper in the hall last Wednesday and although there was not the usual big crowd, those present enjoyed the supper and the films shown by Rev. E. B. Fox of Didsbury.

Mrs. E. McInnis visited with her sister, Mrs. O. Anderson, last Friday.

Owing to the many social functions scheduled for Friday, Nov. 6, the Elton Willing Workers have postponed their social evening to a later date.

Among those teachers attending the convention last week were Mrs. H. Hoesgood, Mrs. P. Luft, Mrs. A. Vipond and Mrs. R. Befus.

Mr. and Mrs. Arnold Hogg and Kenzie spent the weekend at Eckville visiting Mrs. Hogg's sister, Mrs. L. McMann.

Mr. and Mrs. H. Krebs visited with Mr. and Mrs. McCullough on Sunday.

Bob Korschub returned home from a Calgary hospital Saturday.

Mrs. J. Bagshaw visited with Mrs. A. L. Hogg Friday afternoon.

### BINGO SATURDAY NIGHT

Bingo games are continuing at the Armories every Saturday night in aid of the Boy Scout building fund and the C.O.C. has now climbed to \$50. Be there Saturday night and take your chance on the many fine prizes.

### DIDSBURY MARKETS

### MOUNTAIN VIEW

Mr. Myron Gebers visited Sunday with his parents. Myron is working in Calgary with the Dominion Bridge Company.

Mrs. Eric Atkinson and Larry are visiting in Calgary for a week with Mrs. George Smith Sr.

Congratulations are extended to Mr. and Mrs. Alfred Morach on the birth of their son, a brother for Carol.

Mr. and Mrs. Ed McNeil and Chuck visited Friday evening with Mr. and Mrs. Lawrence Hunter.

Mrs. and Mrs. Phil McNeil are holidaying with relatives in Portland, Oregon, for three weeks.

Congratulations are extended to Mr. and Mrs. Ronald Mullen (Leona Blain), whose marriage took place on Wednesday, Oct. 26, and to Mr. and Mrs. Donald Thompson (Shirley Sprague), who were married on Oct. 26.

Sunday dinner visitors with Mr. and Mrs. Lawrence Hunter were Mr. and Mrs. Joe Hunter and boys and Muriel Clarke. Afternoon and supper visitors were Mr. and Mrs. Gerald Archer.

Sunday afternoon visitors with Mr. and Mrs. David Pratt and family were Mr. and Mrs. Alfred Snyder and family.

Mrs. Walter Pratt and Carol spent a couple of days last week visiting with relatives in Calgary.

### East Notes

Mr. and Mrs. Pete Neufeld and friends motored to Radium Hot Springs for three days, returning on Sunday.

The "open house" which was held for the newlyweds at the home of Mr. and Mrs. Alfie Thompson last Thursday was well attended.

Mr. and Mrs. Peter Schumaker and family and Mr. and Mrs. Stanley Schumaker motored to Kathryn on Sunday to visit with Mr. and Mrs. Bill Schumaker and Darleen.

The oil rig that has been drilling on the Sandy Brander property has moved to a new location at Eltona. Mr. and Mrs. Pete Neufeld were Vulcan and Calgary visitors recently.

We hear that Mrs. Albert Milne was one of the lucky winners last Friday. She won a \$50 silver set at the East Community dance.

Bette Neufeld, Gloria Schumaker and Jean Elliott and Loin Pross all spent a few days with their respective parents while the teachers' convention was on.

Congratulations are extended to the newlyweds, Mr. and Mrs. Donald Thompson.

Mr. and Mrs. Pete Neufeld were Sunday evening callers on Mr. and Mrs. Schumaker.

### C.P.R. TRAIN TIMES AT DIDSBURY

**NORTHBOUND:**  
No. 521—(flag stop) 1:20 a.m. daily.  
No. 527—10:01 a.m. (flag stop) Sundays only.  
No. 523—11:24 daily except Sunday.  
No. 525—6:21 p.m. daily.  
**SOUTHBOUND:**  
No. 522—1:59 a.m. daily.  
No. 524—12:23 Noon daily.  
No. 526—4:58 p.m. daily except Sunday.  
No. 528—9:21 p.m. (flag stop) Sundays only.

### NEW OIL RECOVERY PLANT: A \$150,000 lubricating oil

reclamation plant, the first of its kind in Canada to operate on a full scale, is being used by the Canadian Pacific Railway to restore used crankcase oil, renewing its "brand new" qualities, for the railway's growing fleet of diesel locomotives. The plant, located near Montreal, now turns out a daily batch of 375 gallons of reclaimed oil and can easily triple that amount.

### WESTERDALE NEWS

Mr. and Mrs. Ben Kershaw motored to Beiseker Friday morning to meet their daughter, Greta, who was returning home from Hanna to spend the weekend.

Mr. Bill Wigley of Calmar spent an overnight visit at the home of Mr. and Mrs. H. Jackson recently.

An old-time resident of the Westerdale district, Mr. George Backous, passed away at his home last Monday afternoon at the age of 82 years. The sympathy of the district is extended to Mrs. Backous and family.

Mr. Arthur Jackson left on Saturday to spend two or three weeks hunting in the west country with Mr. Roy Smallwood of Melvin. The hunters are using pack horses and saddle on their excursion.

The Westerdale school children enjoyed a Halloween party at the school last Wednesday afternoon. Ardith Stewart won the costume contest with Barbara Jackson a close second.

### WEST DIDSBURY CALF CLUB RE-ORGANIZES

The re-organization meeting of the West Didsbury Calf Club was held at Rugby school on October 30 at 8:00 p.m. President and secretary for the last year were Donald Birch and Marlene Dunphy.

New slate of officers includes: Larry Gillette, president; Beverly Dunphy, vice-president; Marlene Dunphy, secretary-treasurer.

It was moved and seconded that Donald Blain be assistant club leader.

The next meeting will be held at the home of Don Dunphy on Nov. 20 at 8 p.m. So far the club has 14 members and anyone else interested are cordially invited to attend.

## Revival Meetings United Miss. Church

Special meetings in the Didsbury United Missionary Church are well under way with the Rev. J. R. Stewart of Portland, Oregon, as guest speaker. Rev. Stewart has served the Free Methodist Conference at Portland for many years. His rich background of varied experience, with his deep knowledge and dependence upon the Bible is affording every one who hears him a real opportunity to listen to an outstanding Bible expositor.

Rev. J. R. Stewart

Rev. Franklin L. Lusk, music director at Mountain View Bible College and former pastor of the United Missionary Church of Fort Wayne, Indiana, is the song evangelist for the meetings.

Services continue through this week and conclude this Sunday, November 8. Sunday services will be at 11:30 a.m. and 7:30 p.m.

Alphonse Berube, 44-year-old native of Verdun, Que., has returned to civilization after 14 days of wandering in the wilderness of northern Quebec's Laurentian mountains. He was lost when a friend and he separated while hiking through the woods. Berube is shown above as he chats with his rescuers while he recuperates in a Montreal hospital.

## QUESTIONS and ANSWERS

**QUESTION:** Can a physician always tell when he has removed all the cancer?  
**ANSWER:** The only way to tell if all cancer cells have been removed is to wait and see if the growth reappears. If a patient goes for five or more years after treatment without recurrence, there is but small chance of recurrence later in life.

Write for Free Literature Canadian Cancer Society 231 7th Ave. E., Calgary, Alta.

## A COMPLETE GENERATOR and VOLTAGE REGULATOR SERVICE

A Canadian National Railway Motel

"nothing can replace Butter for richness and higher quality in cooking"

If ever you have dined at Ottawa's famous Chateau Laurier, you'll agree... Chef Freitag knows where he cooks! In all his tempting dishes he uses only butter. No substitute could possibly give the delicate flavour, the smooth, golden richness of fresh creamy butter.

Taste Chef Freitag's own recipe for BUTTER MEUNIERE a sauce for scalloped fish, steaks or chops

When fish or meat is ready to serve, squeeze a portion of a quartered lemon over it. Sprinkle with fresh chopped parsley or chives. In a frying pan, brown 2 ounces of butter for each person. Pour over fish or meat.

it's always better with Butter!

As every housewife knows, for good eating and good living, you just can't beat butter. From the simplest hot biscuits to the most elegant layer cakes, everything you make tastes so much better with butter.

For our Made Frey's line booklet of dairy, tested butter recipes, write:

### Youth Reports On U.N. School

(Continued From Last Week)

Dr. MacKay, the geographer, began by stating how to use and how to make intelligent use of maps, and its use to the U.N. The one used the most is the North Polar Projection because the distances are equal. He told how to figure the standard of living and why it is so low in the overpopulated countries. The standard of living equals wealth over population. The standard of living takes in the necessities of life: food, shelter and clothing. If the entire world population of two and one-half billion was distributed evenly over the cultivable surface of the earth, the people would be 270 feet apart. He asked, "Was the world overpopulated?" If the deserts were irrigated, mountains removed, no snow and ice, etc., there would be \$5,780,000 square miles of fertile land. He asked two questions which he answered in the discussion period:

1. Should Canada increase her rate of immigration? 2. If the resources of an undeveloped country are being unused, should another country come in and develop it for them? The answers were: Yes, but not so there will be an excess of workers. Yes, but there should be an agreement or lease so when the time comes for them to leave, they will, and the country can fare for herself.

Dr. Rowan, the geologist, started off by comparing the discovery and use of fire with the discovery and use of atomic energy. Fire is essential in life now, but wasn't in prehistoric time. Atomic energy had its first use as destruction and may in the future have an essential use. The uses of chemistry: when controlled is used for killing pests, insects, making of drugs, etc., but is a maker of war if not controlled. Atomic energy was discovered through chemical means but used as a last resort, killing thousands of people.

In 1864 the population of London was 460,000 — 160,000 died of the black plague. In 1949 the population of Hiroshima was 344,000 — 200,000 died from the dropping of the atomic bomb.

He said that man was the only animal to progress: he progressed from 1. Ancestor worship to present day Christian religion; 2. Stone tools to iron tools; 3. Domestication of animals; 4. Use of brick for cooking; 5. Began bartering; 6. Development of writing; 7. Sign language to proper speaking; 8. Telescopes, measure of time, distance to the moon and so on.

The mental capacity of apes is next to that of human beings. A chimpanzee may be taught to smoke, play cards, ride a bicycle, merely having him watch you.

He said that no one would be able to analyze the brain and that no two men are born mentally equal.

### Calgary Power

(Continued From Page One)  
however, electricity is put to use for so many household tasks that the term "light bill" has changed to "electric service bill."

Farm electrification has made great progress in the past six years. In 1947 only a few hundred farmers had central station service. Today more than 22,000 farms in Alberta have been electrified. Plans call for the connecting of four to five thousand more farms each year for the next several years.

A serious problem which has to be faced these days by power companies as well as by everyone else is the tremendous increase in cost of equipment, supplies and labor. For instance, the new generator and turbine now being installed at the Ghost plant at a cost of over \$300,000 could have been purchased in 1939 for about one-third of today's price, or about \$266,000.

In another case, the quoted price for replacement equipment rose from \$19,700 in 1936 to \$67,804 in 1952, or an increase to over 300 per cent.

On the other hand the average cost per kilowatt hour of electricity for household use in Didsbury today is just about half what the cost was in 1939.

ried over to the U.N. These agencies are set up as separate bodies of members, budgets and purposes. The U.N. had 51 members to begin with, but now has 62. The world is faced with great danger and the U.N. is one way of trying to stop this.

Through the lectures we saw that the people in the world have to know each other for co-operation and security. They must be informed of the world disputes and informed how to co-operate with the government and the U.N. so they know that they have the support of the public. The public should give their opinion of the U.N. will come to a downfall as the League of Nations did.

The students left the school with the intention of informing the public of the inside story of the United Nations and how we can help to secure peace.

A few accomplishments of the U.N. are:

1. The U.N. has been the head and pusher of the peace negotiating in Korea since 1951 and has become successful. The armistice terms were signed July 27, 1953.

2. The U.N. produced a cease fire between Pakistan and India. It also saw to it that there was a peace pact signed between the two countries.

3. Britain's mandate, Israel, wanted its independence. Britain handed the matter over to the U.N. The U.N. gave Israel her independence.

Facts leading to the downfall of the United Nations:

1. There have been disputes over the recognition of China in the U.N. now that she is a communist country; 2. Walkouts; 3. Veto used by U.S.S.R.; 4. Split of Powers. The Security Council has hardly functioned since the beginning of the year because of the use of the veto.

Some of the specialized agencies are: UNESCO (United Nations Educational, Social and Cultural Organization); WHO (World Health Organization); 3. ILO (International Labour Organization); IRO (International Relief Organization); ICF (International Children's Fund). The ILO was started by the League of Nations and carried

### O.S.A. NOTES

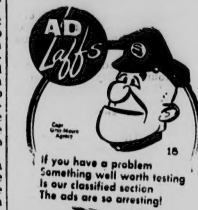

The staff of the Olds School of Agriculture and the executive of the O.S.A. Alumni Association have set Friday, Nov. 27, as the date for the Alumni reunion and dance.

This is an annual event held while the school is operating so as to acquaint the students with the alumni organization. It also provides an opportunity for alumni to meet, see their school, meet old and new staff members and generally have a pleasant get-together.

Since the program of the school is in full operation accommodation in residence is not available for alumni visitors. However, the alumni executive expects that alumni members will turn out in large numbers as they have in past years.

### CHRISTIAN SCIENCE

"Adam and Fallen Man" is the title of Sunday's Lesson-Bermon at all Christian Science churches. The Golden Text is from Romans: "As by the offence of one judgment came upon all men to condemnation; even so by the righteousness of one the free gift came upon all men unto justification of life." (5: 18). Also from the Bible is this passage: "Cease ye from man, whose breath is in his nostrils: for wherein is he to be accounted of? But be ye glad and rejoice for ever in that which I create." (Isa. 2: 22 and 65: 18). And from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "As in Adam (error) all die, even so in Christ (truth) shall all be made alive." (545: 31 and 32).

## take the wheel of an OLDSMOBILE!

The minute you take the wheel of an Oldsmobile your lesson in pleasure starts!

You'll sense that you're driving one of the finest cars of your lifetime...the finest Oldsmobile ever built! Both the Super 88 and Classic 98 represent a pinnacle of automotive achievement! They're packed with horsepower! They're deep in comfort! They're bathed in beauty!

And Oldsmobile offers you a world of optional features, plucked from the future by the industry's most forward-looking research and design men.

Visit your dealer soon and get acquainted with Oldsmobile. From the moment you take the wheel you'll agree that Oldsmobile is the "Big Feature" car of the year!

Thill...to surging Rocket power. The famous Oldsmobile "Rocket" engine sets the pace in power standards with a 165-horsepower rating, an 11 to 1 compression ratio and a high-capacity, 12-volt ignition system. Here's all the power you'll ever need, balanced with brilliant operating economy.

Feel...the spectacular response of Oldsmobile's proven Automatic Transmission. Flashing getaway is yours at the touch of a toe, thanks to the perfection and efficiency engineered into Oldsmobile's famous automatic transmission, a transmission that makes light work of even the heaviest traffic.

Experience...Power-Ride Chassis' new comfort. From front to rear, Oldsmobile's new chassis is stronger — more durable! At every vital point, ball or roller bearings reduce friction, provide extra assurance for low-cost, trouble-free service. This rugged, deep-braced frame is the foundation of a ride unmatched for balance, stability and comfort.

Look...in Oldsmobile's new beauty. If anything can equal Oldsmobile performance, it's Oldsmobile beauty. There's a new "power look" to the bold front end and the sweep of the raised rear fenders. And color! Oldsmobile positively radiates, with the widest selection of colors, inside and out, in Oldsmobile history!

By REV. C. C. ARMSTRONG

One cannot write flippantly about capital punishment, especially at this time. Churches, civic groups and individuals have been working to have the laws on capital punishment modified. In England, in the early years of the nineteenth century, there were over 200 crimes that were punishable by death, but this did not mean that England was at that time a remarkably law-abiding country. Those who argued that the most severe penalty was the most effective safeguard against crime had to modify their views. If a man can be hanged for killing a sheep he might just as well murder the shepherd also. If the same penalty is invoked for a minor crime as a major one, then one would lose nothing by doing a really good job of breaking all the laws.

For this reason, capital punishment has now been reserved for the most serious offences, such as murder. It is a way that society has of showing that it regards murder as a terrible crime, and by its very reluctance to use capital punishment shows clearly the gravity of the offence. It is a sombre and terrible thing when a lad still in his teens kills another boy, in murderous rage, and it would be a mistake to weaken the restraints of society against such behavior as this.

If capital punishment seems a terrible punishment then it emphasizes the horrible nature of the crime. But the restraining power of the punishment is a debatable thing.

The young lad, Bob Yokety has been found guilty of murder, and given the only sentence possible under Canadian law. Many think that the law should be modified and that the sentence should be changed. There are good moral grounds for supporting this stand. Capital punishment deprives the sinner of his full time for repentance, or at least limits it. Even if it takes years, a hardened sinner, such as a murderer, may be soundly converted, and a young lad of seventeen might yet be reclaimed. To hang him means in effect that we believe that by the time a person is seventeen a person's character is moulded for all time, whether for good or ill. It may be a simple way to get rid of a criminal by putting him to death, as the due reward for his action. He himself was responsible for taking a life that had every right to continue, and what is done with him is not as bad as what he has done for the other boy. But one cannot escape the feeling that he is to be hanged because we don't know what to do with him rather than because we do. Rather than really grapple with the problem of his soul, we treat him as incurable and proceed to try to rid ourselves of the problem he represents by getting rid of him.

WESTCOTT SCOUT TROOP  
HOLD SUCCESSFUL BANQUET

The 1st Westcott Scout Troop held a very successful banquet Friday evening, October 23rd, in the basement of the Westcott United Church. Sixty Scouts, Cubs, parents and friends, along with a few guests, sat down to a lovely banquet.

Following this, three Scouts, Gordon McNaughton, Howard and Gordon Robertson, told of their experiences at the Canadian Boy Scout Jamboree held near Ottawa last summer.

Margaret Robertson also gave a short talk on civil defence, stressing the importance of fire extinguishers in every home and educating children on what to do in an emergency in case of fire.

## THINK IT OVER!

There are three points to be considered before you write for publication: your purpose in writing; the reader's purpose in reading; and the publisher's purpose in publishing. It is not enough excuse for taking pen in hand merely that one wishes to see one's name in print. But if what you have in mind satisfies the three purposes — then write.

## CAN'T SATISFY THEM!

Among the wonders of Mexico are hot and cold springs close together where tourists can watch women boiling clothes in a hot spring, then rubbing them in a cold clear one.

One tourist remarked to his guide: "I suppose these women think the gods are pretty generous to them?"

"No sinner," he replied, "they grumble because there is no soap provided."

Butter stocks in the nine major centres in Canada totalled 65,457,600 pounds as at the first of October. This is a gain of 13 million pounds over stocks in storage on October 1, 1952.

A petition to save Yokety's life is not of much value if it simply means we are seeking to defer or change the date of his death, or the manner of his dying, for death comes to all of us, sooner or later. If he continues to live in a state of spiritual death, then all is lost. But if there is a chance for him to be raised from the death of sin to a life of righteousness, then there is justification for a desire to have the sentence changed. I think that we ought to take that chance.

## DISTRICT NEWS

## M.V.B.C. NEWS

Several new students have come to take work in the College during the past few days. We believe all students are now in and teachers and pupils alike will be busily engaged with the courses. Sixteen hours of work is the minimum on these courses, many of the students taking as much as 20 or 21 hours a week. Because of the concentrated courses and the extra-curricular activities it would be unwise for anyone to be permitted more hours than this in any semester.

Revival meetings in the United Missionary Church, with Rev. Stewart of Portland, Oregon, occupied much of the attention of the faculty and student body this week. Classes in the morning have been reduced from 30-minute periods to 45 in order that Rev. Stewart may have an additional fifteen minutes for chapel. Chapel convenes each morning at 11:30 a.m., but this week at 11:15 a.m.

Rev. and Mrs. D. M. Taylor and Miss Gladys Eby were guests at the Nelson-Bay wedding in Calgary on Saturday. Rev. Charles Nelson and Miss Viola Bayly were united in marriage, the vows being read by Rev. Taylor. Miss Eby played the wedding music. These young people will be on the Rosecarrook pastorate during the coming year and then will go to Africa where Mrs. Nelson has been in missionary work for several years.

Mr. and Mrs. Franklin L. Lusk of the music department will be doing church work during the next five Sundays as they preach and sing in a number of the United Missionary Churches of the conference in promoting the extension work of the church. Mr. and Mrs. Lusk are transferring their membership to this conference.

The deep sympathy of the faculty and students is extended to the Lachman relationship in the bereavement they have recently had. Mrs. Habermehl, who is the eldest daughter of the family, has served over a year as the cook in the College, doing a wonderful job in this capacity. During the past week she was released from her duties. Mrs. Alfred Dietz having taken over until she returns into our midst again. The relatives and friends of the family met in the dining room of the College after the funeral on Friday and were served lunch.

Mrs. Lydia Buder has suffered from bad cold during several days of last week. We hope she will soon be able to take up her class work again. Clifford Baughman and Roy Corleaves have been chosen as assistant librarians during the winter time. It is their duty to regulate library activities during the hours when the room is open for study and to check out books as required.

Several helpers appeared on Monday to assist in emptying the carload of coal secured for the College. We do appreciate the many people who recently have given of their time and energy in various activities around the school. A friend in need is a friend indeed.

LONE PINE ORIOLES  
HOLD REGULAR MEETING

The Lone Pine Oriole Girls' Club met at the home of Bette Neufeld for the October meeting with 15 members and 10 visitors present. Roll call was answered with a home made hallowe'en mask.

Miss Ruby Milne won the ten-cent draw. Grace Weber had the 'bit of fun' which was won by Karen Brandt for juniors and Grace Weber for seniors. Shirley Spraggas gave an interesting talk on a Hutterite colony.

## WEDDINGS

## McMULLEN — JOHNSON

A pretty wedding was solemnized in Knox United Church, Didsbury, at 2 p.m. on October 16, when Esther Emma Johnson, daughter of Mr. and Mrs. E. Johnson of Gull Lake, Sask., was given in marriage by her father to Mr. Barry Noble McMullen, son of Mr. and Mrs. Robert McMullen of Elkton.

Rev. C. C. Armstrong officiated, using the double ring ceremony. The bride wore a floor length gown of white nylon net over satin. The bodice and illy-point sleeves were fashioned from rayon lace over net and the Peter Pan collar and her floor length veil of illusion net was held in place by a coronet headdress. Her bouquet was of red roses and white net.

Mrs. Beatrice Block, elder sister of the bride, was matron of honor, and wore a floor-length gown of mauve with a matching head bandeau. She carried a nosegay of carnations. Little Lynn Fry was flower girl and looked sweet in a gold colored dress, with matching head bandeau. She carried a bouquet of mixed flowers.

Mrs. Robert E. McMullen played the wedding music and Mrs. Raymond McMullen sang 'I Love You Truly' during the signing of the register. Mr. Howard Johnson of Gull Lake and Mr. Donald McMullen of Didsbury were the ushers.

A reception was held in the new basement of the Fallen Timber school, the room being tastefully decorated in pink and white, and at the bridal table a cluster of white wedding bells was hung above the three-tiered wedding cake. Between 60 and 70 guests were present and the ladies of the Fallen Timber local club did the catering.

Mr. C. Mellon of Calgary gave the toast to the bride and the groom responded with a short talk, thanking all present for their lovely gifts and help in making the event a perfect day.

A wedding dance followed the reception and the following morning the bride and groom left for an extended trip to Southern Alberta, border States and Saskatchewan. For travelling the bride wore a navy blue suit with mauve topcoat and black accessories and her corsage was pink and white carnations.

Out-of-town guests were: Mr. and Mrs. Clinton McMullen and two daughters, of Cappon, Alta.; Mr. and Mrs. Albert McMullen and family of Red Deer; Mr. and Mrs. I. Lorentson of Red Deer; Mr. and Mrs. Walter Chmehl and son of Edmonton; Mr. and Mrs. E. Johnson, of Gull Lake, Sask.; Mr. and Mrs. Steele, Gull Lake; Miss Verna Peterson, Gull Lake; Mr. Jack Wannamaker, Gull Lake; Mr. and Mrs. Herbert Kramer of Calgary; Mr. and Mrs. C. Mellon and family of Calgary.

## Midway News

[From Our Own Correspondent]

Mr. and Mrs. Ray Good and family were Sunday dinner guests with Mr. and Mrs. Jack McDonald of Hartmann.

Mr. and Mrs. Paul Hauser, Don and Joy, motored to Rockyford to visit with the latter's sister and family, Mr. and Mrs. Bob Fuller.

Mr. and Mrs. Lloyd McNees and Maxwell Simpson were Sunday visitors at the Roy McNees home.

Mr. and Mrs. Clarke Ray of Carstairs were Wednesday afternoon visitors with Mrs. Carrie Swanson.

Mr. and Mrs. Fisher and boys motored to Calgary on Thursday where Mrs. Fisher attended the teachers' convention.

Mr. and Mrs. H. Haste and Mr. and Mrs. Fred Hoskin attended the Old-Timers' Night in Carstairs on Wednesday.

The Bancroft United Church will hold a baked ham supper on November 10 at the Bancroft school from 6 to 8 p.m. A short program will follow.

Mrs. Carrie Swanson is spending a few days in Calgary visiting with her niece, Mrs. Walter Knigh.

Mrs. E. Hunter is spending a few days in Calgary visiting with friends.

A speedy recovery is wished to Mrs. Frank Taylor by her many friends in the district.

## Little Items of Local Interest

All Legion and Auxiliary members are asked to meet at Knox United Church, Sunday, Nov. 8 at 7:30 p.m. for the Armistice Church Parade.

Mrs. H. E. Stiles and Mrs. Phil Andrews left Sunday for an extended trip to U.S. points.

Mr. and Mrs. Harold Johnston of Lacombe visited in town Sunday with Mr. and Mrs. J. Currie.

Mr. and Mrs. A. E. Prevost, Mr. and Mrs. L. Clayton, Mr. and Mrs. C. Kohut returned Sunday after a few days holiday at Great Falls, Montana.

Mr. and Mrs. Ernie Tucker and infant son, Dirk, arrived here by plane from San Francisco and are visiting at the home of Mr. and Mrs. H. Dageforde.

Miss P. Owens and Mrs. B. Atkinson attended the teachers' convention in Calgary last week.

Mr. and Mrs. B. Atkinson visited with Mr. and Mrs. W. E. Stiles on Sunday.

Mrs. B. Campbell of Calgary is visiting her son and family, Mr. and Mrs. R. Campbell for several days.

Mrs. H. Ringheim left Tuesday for Edmonton to visit her daughter and family, Mr. and Mrs. W. Asmundson, Marilyn and Norman.

Mr. and Mrs. H. Halliday left Friday for Spokane to attend a district governors' convention of Lions International.

Evening service will be held in St. Cyprian's Anglican Church, Sunday, Nov. 8, at 7:30 p.m.

One local resident, who wishes to remain anonymous, informed us this week that he had harvested a giant cabbage which tipped the scales at 23 1/2 pounds.

## WE NEED COPIES OF OCTOBER 28TH ISSUE

Due to the heavy demand for extra copies of last week's Pioneer we were unable to supply some customers with the amount they required. We would appreciate it very much if anyone who still have their last week's copy and are finished with it, would drop it in at the office. Thank you.

## Bergen Notes

(From Our Own Correspondent)

The Ladies Aid held their October meeting at the home of Mrs. Rosa Ellis with an excellent turnout of members.

Plans were made for a chicken supper, to be held in the Bergen hall, November 27, with a program of local talent to follow.

Donations were approved to be sent by the secretary to various organizations, including the two local churches, and to Miss Malia Moe, missionary in India, whom the aid has helped for many years.

At the close of the business meeting the ladies enjoyed a delicious lunch served by the hostesses. The next meeting will be Dec. 3 at the home of Mrs. Ratcliff.

Mr. and Mrs. Ratcliff are home following a trip to the U.S.

Mr. Albert Johnson has sold his farm to a family from Saskatchewan who have moved several truckloads of cattle and household effects to the property.

The Stringer children saw a mother bear and two cubs near Carl Nelson's buildings last week.

Rev. Allen Wideman visited here with his brother, Mr. Harry Wideman and family recently.

Harvey Wideman is home from his farm at Castor following harvesting operations.

## WESTCOTT NEWS

(From Our Own Correspondent)

Mr. and Mrs. Ernie Tucker and baby son arrived here from California last week. Mrs. Tucker is the former Miss Jean Dageforde of this district.

Dr. Jacques Dumathel spent Friday night at the home of Mr. and Mrs. Herbert Goetjen, prior to taking up his practise at Athabasca, Alberta, the first of this week.

Rev. Reiner of Oliver B.C., formerly of Westcott, was the guest speaker at the Sunday morning service of Redeemer Lutheran Church, Didsbury.

A general meeting of Westcott Community Club was called Monday night and discussion centred around the business connected with the skating rink. It was decided to again operate the rink in much the same manner as former years.

Those serving on the committee and in office remain the same as last year with Mr. Cliff Murphy, president; Mrs. Otto Folkman, secretary-treasurer and Mr. Bill Thoms, vice-president.

Committee members are Jack Robertson, Otto Folkman, Herman Dageforde and Earl Kinick.

Little Brenda Topping is home again following a few days in hospital where she was taken after accidentally drinking oil.

## Coming Events

—St. Cyprian's W.A. will hold their annual tea and bazaar in the Lions hall on Saturday, Nov. 7, at 3 p.m.
